Letter From The Director

What an amazing month August was! The TIP meetings were filled with great ideas and conversations! We can't wait to continue the discussions and build upon these awesome ideas. Our Industry Summit is right around the corner and we can't wait for you to join us as we celebrate National Food Day! Get ready for a day filled with informative speakers, student exhibits and networking. Until then have a Happy and Safe Labor Day and enjoy the last few weeks of summer!!

Highlights

Wawa - LWD Interns August 21, 2018

Quote from Wawa

Dori, Katrina, and myself (Carl A. Donato Jr.) had the pleasure of hosting 11 wonderful students from across NJ from various High School and Colleges. It was a fun, wonderful group who were very interactive with questions and answers! Our 3 hours together featured:

- *Presentation about the Wawa Culture
- *Interview/Resume Tips
- *Training discussion with Todd Kaufman
- *Real Live Job Preview at store 8340 with Katrina (Wow were these students observant!)
- *Wrap up at the office

Thank you to all of you who made this happen from DOL & Retail, Hospitality & Tourism Talent Network, Thank you to John McKinnon, Joe Fisher and his team at 8340 for the donation of lunch, to Katrina our awesome AGM from Lumberton, and to the most awesome teammate Dori Clarke for joining in as well.
