Letter From The Director

I can't believe we are heading into the Holiday season. I feel like we were just talking about summers down the shore and hiring summer seasonal workers. But what an incredible October it has been!!!

We celebrated Disability Awareness month, hosted a TIP meeting, attended many other events but most of all held our 5th Annual Industry Summit. It was an awesome day and I want to thank everyone who participated and attended. We look forward to continue the momentum all the way through the end of the year! Happy Halloween and we will see you all in November at our joint TIP meeting!

Industry Summit

Thank you to everyone who attended our 5th Annual Industry Summit at Hudson County Community College. It was a great day filled with valuable information about the industry, the impacts of tourism in New Jersey and how to create a sustainable workplace.

For those interested, below are the links for our panelists' contact information and the speakers' presentations.
